

Hi my name is Shannon Rainer and my Dad is racing for Wealden Racing.

I am 8 now and I went to my first race when I was just 6 weeks old.
That's a long time ago!!!!

My dads been racing for 11 years now!!! And he is very good at it!!!
I usually take my bike or my scooter just to keep me entertained. I meet lodes of new friends at the tracks for like Holly who is Piers Grange's daughter and Tyler who is Ashley Birds son and the are both younger then me.

I sometimes bring my Nintendo DS to play on when it rains, which it has this year - a lot!

I love watching my Dad race especially when he wins!

On the 27th of September at Lydden Hill my Dad tried using slick tyres for the first time but I don't think he enjoyed it very much and he wrecked one of them completely because the rubber shredded off of it.

If you go racing with you parents why don't you let me know what you get up to!
